The Distressed Properties Professional Designation course is a two day real estate study that teaches the latest methods and insights in the world of Short Sales, Foreclosures, REO's and Auctions. This course will provide all the necessary information needed to be successful in today's market, even more than in a traditional market. Agents will receive the DPP Designation which includes **9 hours of Continuing Education**, a course textbook, certificate of completion, access to Member's Login for the forms package, direct contact information listed on www.DistressedPropertiesProfessional.com and access to the DPP support staff to answer your questions and give you guidance even as the market continues to change.

You will receive strategies from Chris Wigley (Real Estate Broker/Certified Real Estate Instructor), who has designed this course from the best practices and methods used across the country, to give you a straightforward approach on how to succeed in today's market.
